EBO2 procedure

An absolute breakthrough in Functional Medicine and Regenerative Medicine.

$2,400 each
10% off 3 pack

The Benefits of EBO2

- Reduces pathogens such as viruses, bacteria, fungus and more
- Strengthens and modulates the immune system
- Reduces oxidative stress
- Down regulates inflammation
- Removes inflammatory proteins
- Removes heavy metals, mold, and other toxins
- Balances blood pressure and cholesterol
- Increases physical performance
- Increases stem cell proliferation and mobilization
- Stimulates NAD+ production
